Terms and Conditions

2 YEAR WARRANTY

All claims for parts or labor must be made directly through Atosa.All claims must include: model number of the unit, the serial number, proof of purchase, date of installation, and all pertinent information supporting the alleged defect.In case of compressor replacement under warranty, either compressor or compressor tag must be returned to Atosa along with above listed information.**Failure to comply with warranty policies will result in voiding claims.**

Two Year Parts & Labor Warranty

Atosa warrants all new refrigerated components, such as the cabinet and all parts, to be free from defects in materials or workmanship. Atosa's obligation under this warranty is limited to a period of two (2) years from the date of original installation or 27 months after shipment date from Atosa, whichever occurs first.All parts covered under this warranty that are defective within two (2) years of original installation or twenty seven (27) months after shipment date from manufacturer, whichever occurs first, are limited to repair or replacement (including labor charges, of defective parts or assemblies). The labor warranty shall include standard straight time labor charges only and reasonable travel time, as determined by Atosa.

Additional Three Year Compressor Warranty

In addition to the two (2) year warranty stated above, Atosa warrants its sealed compressor to be free from defects in both material and workmanship under normal and proper use and maintenance service for a period of three (3) additional years from the date of original installation, but not to exceed five (5) years. Compressors that have been determined to be defective from Atosa within this extended period will be either repaired or replaced with a compressor or compressor parts of similar design and capacity according to Atosa's discretion.The three (3) year extended compressor warranty applies only to sealed parts of the compressor and does not apply to any other parts or components. This includes, the cabinet, paint finish, temperature control, refrigerant, metering device, motor starting equipment, fan assembly, and other electrical components, etc.

R290 Compressor Warranty

The five-year compressor warranty detailed above will be void if the following procedure is not carefully adhered to:

1.This system contains R290 refrigerant and lubricant. The lubricant has rapid moisture absorbing qualities.

2.Drier replacement is very important and must be changed when a system is opened for servicing.

3.Micron level vacuums must be achieved to insure low moisture levels in the system.

4.Compressor must be obtained through Atosa, unless otherwise specified in writing, through Atosa's warranty department.

What is Not Covered by This Warranty

Atosa's sole obligation under this warranty is limited to either repair or replacement of parts, subject to the additional limitationsbelow. This warranty neither assumes nor authorizes any person to assume obligations other than those expressly covered by thiswarranty.
